Overall Length:

19.200 inches

Overall Height:

7.300 inches

Overall Width:

15.200 inches

Mounting Surface Plane:

Parallel

Window:

Not included

Accommodated Equipment Identifying Number:

Medical supplies

Special Features:

Impact resistant resin; press and pull latches; multilayer cubed foam; molded-in hasp for padlock security

Material:

Plastic, polyurethane

Material:

Plastic polyurethane

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
