Overall Length:

8.750 inches

Overall Height:

6.750 inches

Overall Width:

4.750 inches

End Application:

Virginia class submarine, ssn-774

Special Features:

Coated with plastic, polyurethane on one side for water resistance; includes 4 elastic loops inside

Material:

Polyamide nylon

Material:

Plastic polyamide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
