Overall Length:

53.000 inches

Overall Height:

56.500 inches

Overall Width:

46.000 inches

Mounting Surface Plane:

Parallel

Storage/shipment Condition:

Hermetically sealed

Window:

Not included

Accommodated Equipment Identifying Number:

Apq122antenna model no.

Product Name:

Shipping container

Special Features:

Pressure vacuum release valve, handles for cover lift only, tie down rings, weight with antenna is 520 lbs

Material:

Aluminum

Material:

Aluminum

Shape:

Square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
