**Overall Length:**

28.000 inches

**Overall Height:**

4.500 inches

**Overall Width:**

18.000 inches

**Mounting Surface Plane:**

Parallel

**End Application:**

Vds handling

**Window:**

Not included

**Accommodated Equipment Identifying Number:**

7386422 drawing no.

**Product Name:**

Container, fin stowage, vds

**Special Features:**

Uses 4 polyethelene pads, some with cavities; has carrying handles on all sides; for shipping and storage of vds fins and cowling

**Material:**

Steel, corrosion resisting and plastic, polyethylene

**Material:**

Stainless steel and plastic polyethylene

**Shape:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T358-e
