Overall Length:

28.000 inches

Overall Height:

4.500 inches

Overall Width:

18.000 inches

Mounting Surface Plane:

Parallel

End Application:

Vds handling

Window:

Not included

Accommodated Equipment Identifying Number:

7386422 drawing no.

Product Name:

Container, fin stowage, vds

Special Features:

Uses 4 polyethelene pads, some with cavities; has carrying handles on all sides; for shipping and storage of vds fins and cowling

Material:

Steel, corrosion resisting and plastic, polyethylene

Material:

Stainless steel and plastic polyethylene

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
