Overall Length:

53.000 inches

Overall Height:

6.125 inches

Overall Width:

17.437 inches

End Application:

Usaf small shelter patient decon system

Window:

Not included

Accommodated Equipment Identifying Number:

-f-w-booms part no.

Product Name:

Accessory case

Special Features:

Watertight with neoprene o-ring seals, weight empty is 25.65 lbs, has single lift handle, double throw lid latches, color is black, foam filled, purge valve to facilitate air movement

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
