Overall Length:

22.000 inches

Overall Height:

8.000 inches

Overall Width:

18.000 inches

Mounting Surface Plane:

Parallel

Window:

Not included

Accommodated Equipment Identifying Number:

3skb-2218pr/356-720 model no.

Product Name:

Medium-duty pull handle shipping case on wheels

Special Features:

Constructed of hdpe polyethylene and features molded-in bumpers and ribs to absorb shock and protect hardware; tongue and groove aluminum valance; neoprene o-ring gasket for tight, moisture resistant seal; locking latches are field-replaceable; not lined

Material:

Plastic, polyethylene

Material:

Plastic polyethylene

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T358-e
