Overall Length:

34.000 inches

Overall Height:

17.300 inches

Overall Width:

23.000 inches

Mounting Surface Plane:

Parallel

End Application:

Nha 5985015304001

Storage/shipment Condition:

Hermetically sealed

Window:

Not included

Accommodated Equipment Identifying Number:

Cd-105262 drawing no.

Special Features:

Transit case, reflector, global broadcast system

Material:

Fiberglass

Material:

Glass fiber

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
