Overall Length:

31.300 inches

Overall Height:

15.400 inches

Overall Width:

20.400 inches

End Application:

3431-01-498-4423

Product Name:

Case, water tight

Special Features:

Material is impact resistant hpx resin; includes wheels and retractable handle; not airline carry-on compatible; 22.50 lb empty weight; 29.0in l x 18.0in w x 13.8in h interior demensions; olive drab case color; black latch color; black button color; black vortex valve color; no foam lining

Material:

Plastic

Material:

Plastic

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
