Overall Length:

11.880 inches

Overall Width:

8.500 inches

End Application:

Foam transit case; items with nuclear application

Water Resistance Quality:

Included

Water Absorbency Rating:

High

Flame Resistant Feature:

Included

Fungus Resistant Feature:

Not included

Product Name:

Inavy-foam, transit case

Special Features:

Material: unicellular polyethelene foam per a-a-59136, type 1, class 2 or 3 , grade d, color blue

Material:

Plastic, polyethylene foam

Material:

Plastic, polyethylene foam

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T125-e
