Overall Length:

20.500 inches

Overall Width:

11.000 inches

End Application:

AN/U-SC-65(-V)1L

Product Name:

Guard, hpa, right

Special Features:

Material: .09 thk al aly sh 5052-h32 iaw ams-qq-a-250/8; finish: cheical film iaw finish specificaton 3020292 type i, class ia. Paint iaw finish specification 3020292, type vii, final film shall be apiphatic polyrethane lusterless green 383 carc, color number 34094 iaw fed-std-595; "not a step" written on guard-silkscreen 2.00 high standard gothic haracters, color no. 27038 (black) iaw fed-std-595. Locate approx centered as shown.

Color:

Green

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
