Overall Length:

13.000 inches

Overall Width:

16.500 inches

End Application:

AN/U-SC-65(-V)1L

Product Name:

Guard, hpa, left

Special Features:

Material: .09 thk al aly sh 5052-h32 iaw ams-qq-a-250/8; finish: chemical film iaw finish specification 3020292 type i, class ia, paint iaw finish specification 3020292, type vii. Final film shall be aliphatic polyurethane lusterless green 383 carc, color no 34094 iaw fed-std-595; "not a step" written on guard-silkscreen 2.00 high standard gothic characters, color no. 27038 (black) iaw fed-std-595. Locate approx centered as shown.

Color:

Green

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
