Overall Length:

24.250 inches

Overall Height:

8.687 inches

Overall Width:

16.812 inches

Mounting Surface Plane:

Parallel or perpendicular

End Application:

Fixture, engine maintenance, aircraft

Window:

Not included

Product Name:

Inavy-case

Special Features:

Unbreakable, watertight, dustproof, chemical resistant, and corrosion proof; polyethelene closed cell foam included

Material:

Plastic

Material:

Plastic

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T358-e
