Overall Length:

25.520 inches

Overall Height:

13.080 inches

Overall Width:

19.500 inches

Mounting Surface Plane:

Parallel or perpendicular

End Application:

Military equipment container

Window:

Not included

Accommodated Equipment Identifying Number:

Se1220 model no.

Features Provided:

Deflated by vacuum

Product Name:

Transport and storage container

Special Features:

Diced foam; watertight; 2 hinges; 1 heavy duty handle; military grade; black

Material:

Plastic

Material:

Plastic

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
