Overall Length:

40.000 inches

Overall Height:

9.340 inches

Overall Width:

22.470 inches

Mounting Surface Plane:

Parallel or perpendicular

End Application:

Display unit (29335), tacmass case

Window:

Not included

Product Name:

Tsc composite rackmount cases

Special Features:

7903 custom w/opt 329 locking/stacking pivot latches and custom depth inner frame

Material:

Aluminum and steel, corrosion resisting

Material:

Aluminum and stainless steel

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T358-e
