**Overall Length:**

40.000 inches

**Overall Height:**

9.340 inches

**Overall Width:**

22.470 inches

**Mounting Surface Plane:**

Parallel or perpendicular

**End Application:**

Display unit (29335), tacmass case

**Window:**

Not included

**Product Name:**

Tsc composite rackmount cases

**Special Features:**

7903 custom w/opt 329 locking/stacking pivot latches and custom depth inner frame

**Material:**

Aluminum and steel, corrosion resisting

**Material:**

Aluminum and stainless steel

**Shape:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T358-e
