**Overall Length:**

11.800 inches

**Overall Height:**

7.700 inches

**Overall Width:**

9.800 inches

**End Application:**

Predator

**Window:**

Not included

**Product Name:**

Case brake servo rt

**Special Features:**

Material is hpx high performance polypropylene resin; has 2 press and pull latches, that will not pop when dropped; double layer soft grip handle; 2 padlockable hasp; vortex valve; flash powerful hinges; watertight; comes with a custom foam insert; weighs emp type 3.3 pounds

**Material:**

Plastic, polycarbonate

**Material:**

Plastic polycarbonate

**Shape:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T358-e
