Overall Length:

11.800 inches

Overall Height:

7.700 inches

Overall Width:

9.800 inches

End Application:

Predator

Window:

Not included

Product Name:

Case brake servo rt

Special Features:

Material is hpx high performance polypropylene resin; has 2 press and pull latches, that will not pop when dropped; double layer soft grip handle; 2 padlockable hasp; vortex valve; flash powerful hinges; watertight; comes with a custom foam insert; weighs emp type 3.3 pounds

Material:

Plastic, polycarbonate

Material:

Plastic polycarbonate

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T358-e
