Overall Length:

16.680 inches

Overall Height:

4.370 inches

Overall Width:

13.060 inches

End Application:

Equipment storage and transportation

Window:

Not included

Product Name:

Case

Special Features:

Double locking latches with keys, automatic equalization valve, o-ring seal, molded handle

Material:

Plastic

Material:

Plastic

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
