Overall Length:

24.810 inches

Overall Height:

13.870 inches

Overall Width:

19.370 inches

Mounting Surface Plane:

Parallel or perpendicular

Window:

Not included

Product Name:

Pelican 1620 case, no foam, od green

Special Features:

Od green in color; made of ultra high impact structural copolymer; having neoprene o-ring; having abs double throw latches; includes automatic purge valve for atmospheric pressure changes; having polyurethane wheels and stainless steel bearings; being watertight, crushproof, and dust proof; having inside dimensions of 21.370 inch length, 16.310 inch width, and 12.560 inch height

Material:

Plastic

Material:

Plastic

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T358-e
