**Overall Length:**

44.160 inches

**Overall Width:**

16.090 inches

**Window:**

Not included

**Product Name:**

Long case

**Special Features:**

Watertight; crushproof; o-ring seal; automatic pressure equalization valves

**Material:**

Plastic

**Material:**

Plastic

**Shape:**

Rectangular

**Supplementary Features:**

4 extra deep base to lid lock cleats-max stackability

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T358-e
