Overall Length:

44.160 inches

Overall Width:

16.090 inches

Window:

Not included

Product Name:

Long case

Special Features:

Watertight; crushproof; o-ring seal; automatic pressure equalization valves

Material:

Plastic

Material:

Plastic

Shape:

Rectangular

Supplementary Features:

4 extra deep base to lid lock cleats-max stackability

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
