Overall Length:

18.000 inches

Overall Height:

12.500 inches

Overall Width:

16.000 inches

Mounting Surface Plane:

Parallel

End Application:

Pressure tester

Window:

Not included

Product Name:

Alternative shipping case, hyd pressure tester

Special Features:

Outer case matl is series 5052k rigidized aluminum; recommended sos is c.H. Ellis co. Inc.; refer to drawing for additional details

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-e
