End Application:

6625-01-612-3560

Supply Package Type:

Carton

Water Resistance Quality:

Not included

Design Form:

Molded

Longitudinal Compression Feature:

Not included

Water Absorbency Rating:

Not rated

Flame Resistant Feature:

Not included

Fungus Resistant Feature:

Not included

Product Name:

Foam, test adapter

Special Features:

Item is rectangular in shape; molded slots for test adapters

Material:

Plastic foam, molded

Material:

Plastic foam, molded

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T125-e
