Overall Length:

4.00 inches

Overall Height:

2.125 inches

Overall Width:

4.00 inches

End Application:

5840-01-544-1338; radar set

Window:

Not included

Product Name:

Circuit board shippers

Special Features:

Box with polyurethane pink foam laminated to top and fitted in bottom; shipping or storing esd sensitive circuit boards and other items; provides esd shielding with lid closed; convoluted static dissipative less than 10 (11) ohms

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T358-e
