Overall Width:

1.000 inches

End Application:

Mc-6 nd the t-11 parachute system

Design Type:

Tubular

Features Provided:

Elastic strand

Special Features:

Material is cotton and elastic; surface condition is flat

Color:

Green, foliage 504

Procurement Group Code:

91777

Specification Data:

Ia-w-5664 professional/industrial association standard

Specification Or Standard:

I type and 1 class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A45400
