End Application:

Mc-6 parachute systems

Special Features:

Surface condition-treated per pia-w-27265; breaking strength-4000 pounds

Fiber Material:

Nylon

Color:

Green, foliage 504

Width:

1.750 inches

Specification Or Standard:

Viii type and 2 class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A45400
