Width:

65.0 inches

Weave Type:

Ripstop

Cloth Weight:

1.35 ounces per square yard

Product Name:

Parachute cloth, ripstop, zero porosity, proprietary finish

Special Features:

Breaking strength (lbs): warp and fill 45 both directions; elongation (%): warp and fill 25 both directions; tear strength (lbs): warp and fill 12 both directions; air permeability (cfm): 0, ; yards per inch: warp 128 ; fill 130 ; pia-c-44378; color g; finish formulation: high performance proprietary silicone, formula s-9120; finish add-on: applied equally on both sides of the fabric

Fiber Material:

Nylon basic

Color:

Gray background

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A21600
