Ply Quantity:

1

Length:

1000.000 yards

Environmental Protection:

Fire retardant and high temperature resistant and water repellent and oil resistant and weather resistant

Material And Location:

Nylon

Issue Form:

Tube

Special Features:

Vinyl coated; 15lb tensile strength; .028 diameter

Color:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15300
