Ply Quantity:

1

Environmental Protection:

Fire retardant

Material And Location:

Nylon

Issue Form:

Tube

Single Ply Size Designation:

30

Issue Form Weight:

2.0 pounds

Special Features:

Electrical cable filler; 8.2 denier; 37lb breaking strength; 54 military diameter; low moisture absorption; rot resistant

Color:

Natural

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A15300
