Environmental Protection:

Flame resistant

Product Name:

Cage: nylon reclosable fasteners, pressure sensitive adhesive backed, napped loop product

Special Features:

Adhesive type: synthetic rubber; liner on adhesive: white polyethelend; shelf-life: 1.5 years; storage temp: 16 - 27 degrees c

Fiber Material:

Nylon

Color:

Black

Length:

45.7 meters

Width:

25.0 millimeters

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A45400
