Width:

6.000 feet

Length:

13.000 feet

Shade Source:

Federal standard 595

Shade Identification:

36231

Special Features:

Floor used as vestibule for the temperate tent; single ply; undercoating of chloroprene rubber compound; top coating of chlorosulphonated polyethylene compound

Color:

Gray

Material:

Polyester

Material:

Plastic polyester

Procurement Group Code:

90641

Supplementary Features:

See base camp at <http://ct.Dscp.Dla.Mil/>

Departure From Cited Document:

As modified by color

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T152-c
