Environmental Protection:

Fire resistant

Cloth Weight:

4.000 ounces per square yard

Color Pattern:

Solid

Tent For Which Designed:

Extendable modular

Special Features:

Coated glass fabric; permeable outer shell; impermeable inner shell; batting, synthetic fibers: polyester; metalized film 75 gage, low density polyethylene film base; insulated

Color:

Natural

Material:

Cloth

Procurement Group Code:

90815

Supplementary Features:

See base camp at <http://ct.Dscp.Dla.Mil/>

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T152-b
