End Application:

8340-01-537-8738; bootwall system, tan

Special Features:

A frame bootwall (fabric on a composite frame) consisting of one side connecting into the tent at a doorway and the other side accepts a collar. The collar is the actual connection to a specific vehicle; this creates a weather and light (for blackout conditions) tight connection between the drash tent and a vehicle

Color:

Tan
