Prod	uct	Na	me:

Jacket, xxII, ty1, loft, pcu lvl 7, aor2

## **Special Features:**

Pcu lvl 7 aor2 for extreme condition, this lightweight, loft-insulated jacket has the feel of down but retains its warmth when wet. Silicone-encapsulated fabric sheds water and is paired w/primaloft insulation for warmth while the liner pulls away moisture. Used during static periods to cook yourself dry.
