Garment Size:

Large

Garment Closing Method:

Hook and loop

Special Features:

These gloves are designed to be used in combination with tactical gloves to create a revolutionary, fast roping series for protection during rapid rappels, with a snug fit that eliminates the need for removal to achieve combat ready status; durable, soft cowhide leather construction with a spandex back for a cooling and comfortable fit; two additional layers of leather are double-stitched with kevlar into the critical grip area of the palms, extending into the cradle of the thumb to withstand the stresses of rapid rappels and provide lasting wear; hook and loop closures allow easy pull-on and removal

Color:
