Garment Size:

Large

Usage Design:

Work

Special Features:

Lean ergonomic cut and pre-curved design follows the contours of the relaxed hand for greater dexterity and less bulk when clutching objects; double layered palm and reinforced fingertips provide improved grip and greater durability; genuine materials such as dupont kevlar and nomex and high quality treated leathers ensure performance and no melt, no drip protection; low profile nylon on cuff allows easy donning and attachment to carabiners; heavy duty design ideal for tactical operations; kevlar flame, flash and cut resistant protection; dual layer cowhide leather palm and fingertip reinforcements; leather-covered molded hard-shell knuckle and finger protection
