Environmental Protection:

Waterproof

End Application:

4610-01-572-8783

Usage Design:

Work

User Designator:

Maintenance technicians

Features Provided:

Nonslip finish

Product Name:

Gloves, chillblocker waterproof, med

Special Features:

Palms covered with abrasion-resistant grip dots

Color:

Black outside

Special Test Features:

Every glove is pressure tested to ensure it has no leaks

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
