Garment Size:

X-large

Garment Closing Method:

Velcro

Usage Design:

Work

Cuff Type:

Hemmed

Special Features:

The mgs block ii mid-weight combat gloves, coyote, xlarge, pair a breathable fr nomex back of hand with a goat leather palm to excel on demanding operations. Fourchettes provide an anatomical pre curve. By eliminating bulky padding and overlays, the mid-weight combat gloves can be layered under the mgs shell gloves and mgs shell mitts.
