Height:

8.000 inches

Environmental Protection:

Water repellent

User Designator:

Australian army

Size:

14-1/2ee

Tread Surface Type:

Nonslip

Fastening Method:

Lacing

Features Provided:

Thermal insulated

Style Type:

High blucher

Toe Construction Type:

Plain

Fiber Material:

Nylon upper

Material:

Rubber sole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24800
