Height:

8.000 inches

Environmental Protection:

Slip resistant

User Designator:

Man and woman

Size:

12-1/2

Tread Surface Type:

Cleated

Fastening Method:

Lacing

Features Provided:

Breathable

Style Type:

High blucher

Toe Construction Type:

Plain

Product Name:

Si assault boot

Special Features:

Unencumbered full speed performance of lightweight, athletically inspired design; comfort, support and sound mitigation of full grain leather with soft temper; wet/dry slip resistance on smooth and rough surfaces, optimized by vibram outsole with directional lug design; shock absorption of prime urethane with cushioning and biomechanical support of anatomical curvature; high stability for load bearing applications via engineered outsole footprint; jump-ready design with over-the-ankle boot shaft and low profile lacing system; gusseted tongue to prevent entry of debris; import

Material:

Leather

Supplementary Features:

-color-desert

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24800
