Size Designation:

Regular

Design Designation:

Combat medical

Features Provided:

Subdued

Department Designation:

Us army

Award Identification Designator:

3rd

Attachment Method:

Prong-clutch

Overall Surface Treatment:

Anodize or enamel

Color:

Black

Material:

Copper alloy or aluminum

Specification Or Standard:

Spec sheet no. 3628/27-11

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24100
