Overall Length:

1.188 inches

Overall Width:

0.500 inches

Department Designation:

Us marine corps

Overall Surface Condition:

Polished

Attachment Method:

Prong-clutch

Overall Surface Treatment:

Gold

Material:

Copper alloy

Precious Material:

Gold

Specification Data:

81349-mili19689/cancelled/ government specification

Specification Or Standard:

li type and 1 class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24100
