Overall Height:

0.312 inches

Overall Width:

0.219 inches

Design Designation:

Additional civilian award

Department Designation:

Us army

Award Identification Designator:

2nd

Overall Surface Condition:

Oxidized and satin

Special Features:

Relieved

Material:

Copper alloy

Procurement Group Code:

37158

Specification Or Standard:

Spec sheet no. 41819/19-1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24100
