Design Designation:

Rotc

Department Designation:

Us air force

Overall Surface Treatment:

Nickel and silver

Special Features:

Torch; nickel plate on copper alloy only; polished finish

Material:

Copper alloy or metal

Procurement Group Code:

37171

Precious Material:

Silver

Specification Or Standard:

Spec sheet no. 41819/25-2

Departure From Cited Designator:

As modified by surface treatment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24100
