Design Designation:

Air force identification

Department Designation:

Us air force

Length Of Service:

Blank

Overall Surface Condition:

Oxidized

Attachment Method:

Ball clutch

Overall Surface Treatment:

Nickel and silver

Special Features:

Option to use nickel silver

Material:

Copper alloy

Procurement Group Code:

32743

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24100
