Overall Diameter:

1.000 inches

Design Designation:

Chaplains assistant

User Designator:

Enlisted personnel

Department Designation:

Us army

Overall Surface Condition:

Polished

Attachment Method:

Prong-clutch

Special Features:

Multipiece construction

Color:

Brass

Material:

Copper alloy

Procurement Group Code:

20315

Specification Or Standard:

Spec sheet no. 15665/36

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24100
