Design Designation:

Civilian length of service

Department Designation:

Us air force

Length Of Service:

20

Overall Surface Condition:

Oxidized and polished

Attachment Method:

Prong-clutch

Overall Surface Treatment:

Nickel and silver and lacquer

Material:

Copper alloy

Procurement Group Code:

21192

Precious Material:

Silver

Specification Or Standard:

11484\218a specification sheet

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24100
