Design Designation:

Volunteer excellence award

Department Designation:

Us air force

Length Of Service:

Blank

Overall Surface Condition:

Oxidized

Attachment Method:

Prong-clutch

Overall Surface Treatment:

Silver

Special Features:

With polished highlights

Material:

Copper alloy

Procurement Group Code:

21422

Precious Material:

Silver

Specification Or Standard:

11484/241 specification sheet

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24100
