**End Application:**

Improved load bearing equipment

**Special Features:**

Waterproof bag construction with an easy to use single strap roll-top closure and a bottom handle; utilizes an automatic purge valve for compressing the bag; hold ups to 20 pound capacity; dimensions-7 inch diameter +/- 1/4" and 18 inch height +/- 1/2"; cold weather performance-able to withstand repeated flexing at negative 25 degree fahrenheit with no cracking or degradation of the fabric; material-durable lightweight fabric and external surfaces to facilitate packing and compression

**Color:**

Green, olive, 106

**Procurement Group Code:**

32395

**Size Sequence Indicator:**

000

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A11100
